

ASCENSION MANTRA

I invoke and dream awake the full cellular extension of my being;*
physical, mental, emotional, spiritual in this now.*
With the full support of God, Goddess, the Ascended Master realm, to
include*
our Ascended Master self, all the St. Germain's, Sananda, *
the holy mother Mary, Quan Yin, goddess of mercy,*
Archangel Michael, and the legions. *
Ashtar and the entire command, *
Babaji, Rafael, Gabriel, clan of the trumpet angels, *
Aboriginal and tribal shaman, *
Goddesses of fortune, angels of light, Elohim, clan of serpents, *
Shiva *
all Christ frequencies,*
all animal totems,*
Elementals of fire, air, water, and earth. *
All divine beings of light, love, and ascension, *
named and unnamed*

To activate the cells within my being who are your counterparts*
with the unified power of the one.*

I decree my highest good always operating in this now.*
I decree grace and mercy always operating in this now.*
I invoke, decree, and dream awake the full truth and reality of
ascension in this now.*
I invoke and dream awake with every breath that I breathe the violet fire
transmuting my whole being.*
I invoke and dream awake the full current of ascension in every cell of
my being.*
I am ascended.*

I invoke and dream awake expanded god consciousness, *
fully realized in me*
as unlimited abundance, fulfilling my every need and desire.*

I invoke and dream awake the ending of procrastination, tiredness, blockages, obstacles, and unhealthy belief systems.*

I decree immediate abundance in my life.*

I invoke and dream awake my liberation from all karmic debt.*

I am infinite opulence. *

I invoke and dream awake my personal empowerment, and in every instance that any one is impacted by my being and creations.*

I invoke and dream awake the infinite empowerment of my sexual, spiritual, *

mental, emotional, physical, and financial relationship with life.*

I invoke and dream awake sacred sexuality, *

erotic innocence, and always express the sacredness of sexual force* for pleasure, creativity, and healing. *

I invoke and dream awake world universal healing from all sexual woundedness and shame.*

I invoke and dream awake worldwide release of all manipulating forces* and beings who would control humanity: past, present, and future.*

I invoke the angels and ascended masters to realign *

and heal all misused energy; *

to include the full re-structuring of our DNA.*

I invoke and dream awake the transmutation of all negative and judgmental projections. *

I invoke and dream awake my constant ability to be centered and balanced in my psychic perceptions and empathic nature. *

All overwhelming psychic energies are released by me automatically,* easily, effortlessly.*

I am empowered by everything.*

I invoke and dream awake my lucid dreaming each night I sleep and total remembering when I awake.*

I invoke and dream awake my infinite harmony with God, Goddess, I am.*

I invoke and dream awake the full expression of my miraculous healing power. *

My life is a continuous stream of miracles.*

I invoke and dream awake my infinite ability and willingness to receive all life's blessings.*

I invoke and dream awake a constant attitude of gratitude for my whole life, *

all my accomplishments and blessings, including the same for the universe at large.*

I invoke and dream awake the full blessings of God, Goddess, *
the ascended masters, angels, guides, and beings of light *
to bless this earth.*

I invoke and dream awake all my decrees, invocations, and prayers *

I have released to the universe *

and opened myself to God's response, support, and love in my highest good.*

I invoke and dream awake the release of all past, present, and future life times of decrees and vows, *

which would bind me to limitation, lack, density, *

and anything not of ascension in this now.*

I invoke and dream awake the full reclaiming of my eternal self *
as powerful, loving, and fully aligned in abundant god consciousness.*

I invoke and dream awake the total dissolving of all manipulating forces*
which would bind this earth plane in fear.*

I invoke and dream awake the influence of the ascended master realm*
and angels to intercede and raise the vibrations higher, *

to bring darkness into the light, *

raising the frequency of love and god-consciousness on planet earth, in this now.*

I invoke and dream awake the ascension of planet earth *

in this now.
